Hello,

It has been brought to my attention that some administrators of the congregation websites (ucwa.au) have received an email from a group called 'IDS Australia' with the subject line being 'Renewal Notification for [website address]' – e.g. 'Renewal Notification for www.willetton.ucwa.au'
The email claims that an amount needs to be paid for renewal of the domain and contains an invoice attachment.

Please note that this is a scam and not a legitimate request. The sub domains for our congregation sites do not require registration or an annual payment by our individual congregations.

If you have received this email, please do not pay the invoice amount. I would also suggest deleting the email and blocking the sender.

If you have received any email in relation to your congregation website and you are not sure if it is legitimate please forward to me before paying or responding to the sender. Thank you to those who have already alerted me to this scam!

If you have any questions, please don't hesitate to reply or phone me during office hours on the numbers below.

Kind regards,

Wendy Hendry
